

EDC Event Sponsorship Agreement

728 134th Street SW, Ste. 128
Everett, WA 98204

Four times a year, the Economic Development Council of Snohomish County invites Washington State's business community, opinion leaders, civic and governmental officials and educators to discuss a wide range of economic and societal issues that affect us all.

Each event is designed to stimulate thought; sponsorships are designed to provide opportunities for sponsors to reach the community, business leaders and opinion makers who attend.

Thank you for interest in sponsoring one of our events. We appreciate your support!
